NEW

Owner's Only Section of the Website Added this Month

After much discussion within the Board, we have asked our webmaster to add a “**Owner's Only**” section to our website. This will be a valuable tool to distribute information meant ONLY for current homeowners at The Capes. It is designed to allow the Board and Committees to post sensitive/private information in a common area which is easily accessible by all homeowners. For the August website update, we have added the Homeowner's roster and moved the Board of Director's bios to this section. We will be adding items as appropriate. During the first week of August, Tim Moore will be sending an email to all homeowners with the login and password information to access this area. This month, Tim will also be adding the login and password information for the Bridge House. We would appreciate any feedback that you may have on items you would like to see added to this private section.

Thanks for the Donations!!

Thanks to our generous homeowners who participated and donated at our 4th of July Bar-B-Q to the Tillamook Food Bank 15 pounds of food and \$25 dollars. The director of the food bank says that \$1 = 5 pounds of food, so that money gives them an additional 125 pounds of food!! Thanks to all for your donations which help the hungry in our community.

Summer at The Capes

Looks like summer has finally arrived at the Oregon Coast. We know that many homeowners especially enjoy their time at The Capes during the next couple of months. We are so fortunate to have several amenities within our community including the bocce ball court, the Bridge House, private access to the beach and the tennis courts. We hope you and your family/friends all have a fun and safe time. Remember – if you have family or guests coming to use your home without you, they must register with the office to receive community information and rules. The best thing is to let the office know when they are coming so the manager can try to accommodate their registration during office hours (if possible, or the next office hours day). Enjoy this wonderful time of year at the coast!

UPDATE

The Bridge House now has WiFi!!

Per the above article, we now have an 'Homeowners Only' secured section of The Capes website. The login and password information for access to the internet in the Bridge House will be located in that private area. Tim Moore will be sending out an email to homeowners in early August for the login and password to access the secured area.

Wireless internet access has been installed at the Bridge House. We realize that many homeowners may only spend a few weekends a year at The Capes which may not justify the cost of internet at your own house. As an amenity to owners and their guests, you are welcome to use the Bridge House for access the internet. For security reasons, the Bridge House is locked when not in use. If you would like to get into the Bridge House for internet access, our manager Tim Moore, has a key with a tag on it with instructions for how to log on through the router. The key **MUST** be returned to the office when people leave. Please be courteous to your fellow homeowners by leaving the Bridge House in the (hopefully clean!) condition that you found it. Enjoy this new feature of the Bridge House!

Area events for August

Northwest Classics

When: Saturday, August 4th

On Saturday, August 4th the Northwest Classics will be held at 6030 Hangar Rd. Tillamook. It will feature classic cars, classic bikes and classic planes. Admission is \$9.00, Seniors \$8.00 and Youth (6-17) \$5.00. Among the activities: pancake breakfast 7 a.m. to 11 a.m., Warbird rides (weather permitting), a beer garden and live music. Proceeds benefit Tillamook County Search and Rescue. For more information, call (503) 842-1130 or go to www.tillamookair.com. For those who appreciate older cars, bikes and warplanes, enjoy!
