NEW!

Thanks to all homeowners who attended the 2014 Annual Meeting on Saturday, April 12. We had a crowd of 43 homeowners who heard about the direction of The Capes, the status of our management search and committee updates. Please check out the committee updates listed in the **document section of this website**.

NEW!

At the Annual Meeting, a new Board member was elected. Please help us in welcoming Cheryl Jones to the Board! Cheryl and her family moved into a home on Fall Creek a few months ago. Her **background bio** is available for you to read in the Owner Only section of this website. Cheryl will serve a 3 year term.

The Board is still looking for 2 more members – one position for a 3 year term and one position to complete a 2 year term vacated by Chris (Vanderwood) Skelton. Please contact the board at board@thecapeshoa.org if you are interested.

New Board Officer positions were voted on at a short Board meeting after the Annual Meeting. Following are the new officers:

- Brian Christopher – President
- Lynne Styles – Vice President
- Open (temporarily filled by Chris Skelton)
- Secretary – Cheryl Jones

NEW!

At the Annual Meeting, our acting President, Brian Christopher, requested that any home owner who has a request and/or action from the board, provide it to the Board in writing. This can be brought to the Open Forum before each Board meeting (next Open Forum is scheduled for 9:30 am

Saturday, May 17, before the Board meeting) or sent to **board@thecapeshoa.org**. Discussion topics and comments for the Open Forum that do not require Board action can just be brought up as usual.

REMINDER

The Website/Communications Committee along with Mareena (former Office Assistant) worked with our computer consultants to set up a new database which we will use as our homeowner directory. The new database is in the **Owners Only section** of our website, **www.thecapeshoa.org**. You will need a password to get into the Owners Only section (if you have forgotten this, please contact Gail in the office). Additionally, you will need the same passwords to get into the new directory. This homeowner directory has the ability for you to sort by either Lot # or last name. For our office assistant, it has increased functionality for quickly and accurately editing the directory as needed, as well as linking to email notifications. You may also print this directory if you wish.
