

CAPE POLICY FOR GUEST REGISTRATIONS

AMENDED SEPTEMBER 18, 2021

Guests of homeowners and renters are welcome at the Capes. Owners are reminded that Section 12.3 of the Capes Declaration of CC&Rs contains a rental restriction, which continues to apply to all units.

For purposes of this policy, a guest is any person (including a renter) other than an owner or family member of an owner who is on Capes property and will spend the night at The Capes when the owner is not present. Owners must register their guests and/or renters with the Capes Manager for every night such guest or renter will stay at The Capes.

Failure of the owner to register any guest with The Capes Manager as required by this policy may result in a fine imposed by the Capes HOA Board of Directors in an amount not to exceed \$500 per guest per night of unregistered occupancy. In all cases, including the case of an unregistered guest of a renter, the fine will be imposed on the owner of the unit. Owners who rent their units may wish to take note of this and make appropriate provision in their rental agreements.

Owners must register their guests or renters online by filling out and submitting the "Pre-Register Visitor" form found in the Visitor section of the owner portal on The Capes' website (Go to <http://www.thecapeshoa.org> > Owner Portal > Login > Visitors > Pre-Register Visitor). The fine provided for by this policy is in addition to any fine or other remedy for any other violations, including rental restriction.
